Chadwell Supply, Inc. (the “Company”) warrants its products, when delivered in new condition and in their original packaging, to be free from defects in materials and workmanship for a period of one (1) year from the date of original purchase.

This warranty applies only to the original purchaser and is non-transferable.

The Company shall not be liable for any damage or failure resulting from misuse, abuse, improper installation, improper maintenance, unauthorized modification, or application outside of intended use.

The Company’s sole obligation under this warranty is limited, at its option, to the replacement of the product, refund of the purchase price, or issuance of a credit. The Company reserves the right to make the final determination on all warranty claims.

To submit a warranty claim, proof of purchase and supporting documentation must be provided. The Company reserves the right to require return of the product for inspection prior to approving any claim.

To the fullest extent permitted by law, the Company disclaims all implied warranties, including but not limited to warranties of merchantability and fitness for a particular purpose.

In no event shall the Company be liable for any indirect, incidental, or consequential damages, including but not limited to property damage, loss of use, or loss of profits.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

All warranty claims must be processed through Customer Service.
