 - D** RH Outswing

- All measurements must be in inches and taken from the top of the door.
- All lock bores will have a standard 2-1/8" diameter.
- All latch bores will have a standard 1" diameter.
- Provide measurements to the nearest 1/16".
- If door is cut more than 1" in height, it must be rerailed.

Due to the custom requirements and lead times, slab doors are not returnable. Any additional charges for changing sizes or quantities after the initial order is placed will require a new worksheet, and an additional invoice will be created. By signing below, you agree to the terms stated above.
