# Add Chadwell Supply to Your Phone's Home Screen!

Rather than creating an app with limited features, we work hard to ensure our website is just as easy to use on your mobile devices as it is on the computer.
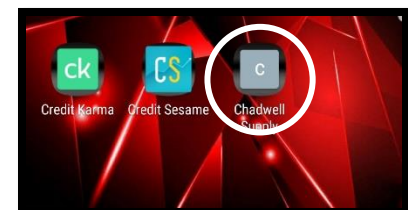

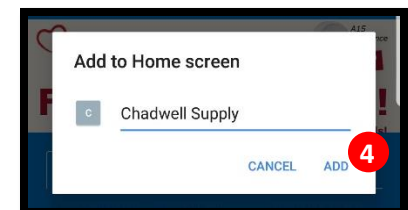

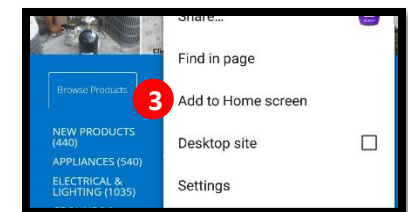

But *chadwellsupply.com* can be a lot to type every time you need to visit. **So create a shortcut!**

On iPhone	On Android

1

Go to chadwellsupply.com

2

Open & scroll through iPhone options or find the Android options dropdown menu

3

Select "Add to Home Screen"

Click "Add" to finish

4

Select "Add to Home Screen"

Now you can find an icon with your apps to go directly to the website!
